# REPORT OF THE POLICE DEPARTMENT

Peace Officer. Guardian of Life and Property. Public Servant. Friend. Neighbor. - All these words best describe a law enforcement officer. To be a lawman is to be in a profession of men and women dedicated to helping people who are in trouble.

Sometimes the work is dangerous, many times just routine, but it is never dull. A satisfying and rewarding experience for the dedicated officer. However, the cooperation of the citizen is of the utmost importance in the effectiveness of any law enforcement department and at this time, we thank all those who assisted, in any way, during the past year, and look forward to continued cooperation.

During the year, the officers of this department donated many hours - for Sunday School Duty, Youth and other Non-profit activities and attended monthly meetings, to keep informed and to work out a schedule of duties.

This department handled over 1600 telephone calls, approximately 150 of these regarding dogs. A partial breakdown follows:

## CIVIL DEFENSE REPORT

The Civil Defense activity has been very light this year. Mr. Kimball and I attended a state-wide seminar in Portsmouth to determine a town's potential for Civil Defense Aid.

The dozer was used to level the ground in front of Ye Olde Cemetery.

MELTON R. SANBORN  
Civil Defense Director

## REPORT OF THE CEMETERY TRUSTEES

# REPORT OF THE FOREST FIRE WARDEN

## AND DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles, and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

## REPORT OF THE PLANNING BOARD

We wish to thank Ruth Rich, who resigned in 1975, for her advice and encouragement while a member of the Planning Board. We welcome Jim Prince as a new member of the Board. Bob Kent was appointed to the Board of Adjustment from the Planning Board.

Eleven plats for subdivisions were presented and approved. Public hearings were held regarding various changes to the 1970 Zoning Ordinances.

A reminder that all meetings of the Planning Board are open to the public and attendance and participation is welcome. Coffee is served.

## COLBY MEMORIAL LIBRARY

We've had another good year at the Library. Circulation was up and seventy-five new borrowers were registered.

The Library resources were greatly increased by direct loan from the State Library in Concord, by Inter-Library Loan, and by Bookmobile visits. The Librarian attended four Southeast District Advisory Council Meetings, two Childrens Book Displays, and two workshops. We issue and honor the Statewide Borrowers Card.

As part of our Bicentennial observance, we plan to do some landscaping of the grounds around the library, especially that part which can be seen as you drive up Main Street. We have already had six loads of loam donated for the project.

Due to the growing number of volumes in our collection, we are adding more shelving.

The gifts of books, magazines, time spent cataloguing, planting and weeding the flowers out front are all appreciated very much.

With some rescheduling of hours, we are now open three nights a week for the convenience of our patrons. The new hours are:

Monday and Tuesday	3:30 - 8:30 p.m.
Wednesday	9 a.m. - Noon
Thursday	6:30 - 8:30 p.m.

Mrs. Robert Wilson has joined Mrs. Meigs and Mrs. Himot on the staff.

## SANBORN LIBRARY

The Sanborn Library, which operates from the White Schoolhouse in North Danville, is open Wednesdays from 3 to 5 p.m.

Since the library serves a special need of the younger children, many of this year's additions were purchased with them in mind. The Colby Library donated several books which were gratefully received.

Volunteer librarians, Marcia Gagne and Susan Emilio, welcome the adults of the area as well as the children, and feel certain they will find many interesting books from which to select.

## REPORT OF THE TOWN FOREST

The demand for logs has been low this past year; therefore, no work was done on marking trees for sale. Several people in town have had the satisfaction of warming themselves twice by cutting dry wood in the town lot. There is plenty of wood for all, just see me for a cutting location.

The district members secured through the Rockingham County Conservation District a wetlands map which will be used in the proposed 1976 program of identifying mosquito breeding sites.

## DANVILLE BICENTENNIAL COMMISSION REPORT

A Liberty Tree Planting was held at the Old Meeting House on May 10, 1975, assisted by School children and Scouts. A Scythe was placed in the Meeting House to be hung in this Tree in the year 2,000 in Memory of the men from Hawke who fought in the Revolution. The Tree was donated by a Danville citizen.

Two Danville boys, Richard Goldthwaite and Christopher Maxwell, representing the two men from Hawke who fought at the Battle of Bunker Hill, marched in the General John Stark Day Parade. The Bicentennial Commission, with a Selectman, attended the Roll Call of Towns Luncheon, held at the Hotel Carpenter in Manchester, the same day, May 17, 1975. The two men from Hawke who fought at the Battle of Bunker Hill were John March Jr. and Thomas Powell.

The Hawke Historical Society made and raffled a Bicentennial Afghan and gave the proceeds to the Commission. The Bicentennial Commission held a Food Sale, with this money, we used to make the Revolutionary War Uniforms. The Commission wishes to thank all who helped with the Uniforms.

We issued a Bicentennial Memorial Plate designed by Mr. Matthew Napoleon. Many thanks go to him for the many hours of work involved in this Plate.

We attended three area Bicentennial Meetings in other Towns and hosted an area Meeting here, with the Meeting House open for inspection and a tour for the visitors to our "Bee Hive Hut".

The Fireman's Association kindly invited us to participate in their yearly Picnic and extended the time to 2-1/2 days, which included an Open House and Old Building Tour.

The portion of monies advanced by the Town to the Commission has now been returned to the Town. Any monies received in the future will be used for Bicentennial purposes.

## YOUTH CORPS REPORT

The Summer Recreation Program was very successful as many children were offered a variety of activities. Kingston Swimming Program gave 50 some odd children the opportunity for lessons.

A professional Art Teacher ran a multiple of activities in arts and crafts on two days a week, alternating with tennis lessons on Mrs. Stafford's courts taught by Mrs. Cummings and Mr. Be-tourne.

If it wasn't for the number of parents who drove and helped out whenever needed, the program would not have been as successful. Sure, many mistakes were made as in any new adventure. As long as we learn from these, we become better and better at our tasks.

My sincere thanks to everyone who gave willingly so much of their time.
